777. \$5,000 USHJA NATIONAL HUNTER DERBY

Entry Fee: \$350

Each class must have a minimum of two judges. All judges will sit together and provide one score. One judge must be an R judge, the other may be either an R or r judge. The judging panel will provide one score and the scores from each round will be either averaged or added as specified in the prize list to obtain the overall total for each horse. No judging panel may award the same base score to any two competitors in any one round.

The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judges base score is given, one point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points).

The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judges' base score is given, one point will be added for each high option fence jumped.

The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. 2. FEDERATION ENTRY AGREEMENT: By entering a Federation- licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation") and the local rules of the competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the competition may use or assign photographs, videos, audios, cablecasts, or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

3. CONDITIONS OF ENTRY: Every horse entered for competition

will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, Flintridge Riding Club, West Palms Communications, and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

4. MANAGEMENT: Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of an incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by Horse Show Management- their decision to be final. Horse Show Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate or change judges and officials; to change specifications in jumper classes in order to facilitate the time schedule. Management reserves the right to combine or cancel. Management reserves the right to limit entries in a class. Refused entries will be returned.

5. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble. Fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person- all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse- a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/ or being present on the Show Ground Facility.
