SPECIAL CLASSES

777. \$5,000 USHJA NATIONAL HUNTER DERBY SPONSORED BY HORSEFLIGHT

Entry Fee: \$350

Each class must have a minimum of two judges. All judges will sit together and provide one score. One judge must be an R judge, the other may be either an R or r judge. The judging panel will provide one score and the scores from each round will be either averaged or added as specified in the prize list to obtain the overall total for each horse. No judging panel may award the same base score to any two competitors in any one round.

The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judges base score is given, one point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points).

The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judges' base score is given, one point will be added for each high option fence jumped.

The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points). Overall Score - The final score from each round will be either averaged or added as specified in the prize list to obtain the overall total for each horse.

A horse, without warning or any apparent cause, can buck, stumble. Fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury of death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/ or being present on the Show Ground Facility.
